THE GREAT

EXECUTOR'S SALE

\$100,000 STOCK

CLOTHING

It's true that we are moving a quantity of goods that would be thought extraordinary in a regular business way, but this is something different from an ordinary business transaction, and the goods are not going fast enough to serve our purpose. We must sell all our Spring and Summer Goods this Spring and Summer. We cannot carry these goods to the next season, for next season, owing to legal obligations, this firm will have ceased to exist. So the goods must be sold NOW, and if one price don't sell them another must.
